

Would your school furniture
pass the durability test?

Name: _____

Subject: MRL Ultimate Durability Zone

Date: November 5-7, 2025

★ **Gold Star – Extra Credit**

Durability isn't just strength — it's strategy.
It saves time, money, and maintenance cycles.

Didn't get an A?

how we grade durability.

Durability Report Card — Grade Your Furniture

Durability Test	Grade
Built for real, daily student use (climbing, leaning, dragging, you name it)	
Scratch, stain, and chemical-resistant surfaces	
Structurally reinforced frames — no wobble, no bending	
Modular and repairable parts to reduce waste and cost	
Adjustable for different ages and applications	
Easy to clean and sanitize — no hidden crevices	
Designed for 12+ years of performance and consistency	
Tested in real classrooms - designed by adults, tested by student creativity

Teacher's Note

**Cheap now means costly later.
Choose durable construction from the start.**
